Journal Article

1. **Wang, Qiyue.** & Li, Mingjiang. "Traffic, Money and Political Consent: Explaining the Growth of Commercial Cyber-Nationalism in China," *Journal of Contemporary Asia*, 2023-12, p.1-20.
- Took a mixed-methods approach to examine how the influential Chinese "we-media" construct a nationalistic discourse in the case of the Russia-Ukraine war
- Proposed a model of the symbiotic triangle to conceptualize how non-state actors and the party-state interact to enable the commercialization of nationalism to sustain itself as a profitable business in China
